Baltimore, Maryland 21202**

Design Guidelines

January 10, 2001

**Subject: Highway Drainage Manual
Hydrologic Soil Groups
Page 1-2-A-3**

Previously, a correction was issued for the Hydrologic Soil Group listing. However, many of the copies of the Highway Drainage Manual do not have this corrected page.

The following soil types should be redesignated.

- Chillum C ==> B
- Chrome D ==> C
- Hagerstown B ==>C
- Hollinger C ==> B
- Joppa ==> B

Please check your copy and make the correction.
